Description

It is allowed to input the domain name without dot "." in the E-mail field.

Steps to reproduce:

1. Open the site <http://feelmake.com/>
2. Click the "Animation and graphics" link
3. Click the "Send a request" button.
4. Input the valid login name and input the valid domain name without symbol dot "." in the E-mail field
5. Click the "Send" button.
6. Pay attention to the next message

Actual result: The success message is displayed : "The message has been successfully sent"

Expected result: The error message is displayed near the "E-mail" field
