Description

It is allowed to input Domain name without dot "." in the E-mail field.
Steps to reproduce:
1. Open mane page
2. Click Animation and graphics link
3. Click Send a request button.
4. Input correct login name before symbol @, after that input any digits or latin letters without symbol dot "." in the E-mail field.
5. Click Send button.

Expected result: E-mail field shows an error message.
Actual result: "the message has been successfully sent"
