Description

It is allowed to input 8 additional digits (quantity from 1 to 8) in the "Phone" field after basic phone number.

Steps to reproduce:
1. Go to the site http://www.binotel.ua/
2. Click the "Phone" button.
3. Input digits without white spaces (067000000012345678) in the "Phone" field.
4. Click the "Ring back" button.

5. Pay attention to the next message

Actual result: The 30 seconds countdown is started with the text message "Ring order is received. We are already calling to you"

Expected result: The error message is displayed in the "Phone" field.
